

Mitch Korn's SPECIALIZED GOALTENDERS' Clinic

**Learn from one of the NHL's best goalie coaches
at the Kettler Capitals Iceplex in Arlington, Virginia (**new location**)**

Session I: (goalies age 13 - adult) – **June 5, 6, 7 2009**

Session II: (goalies age 8 - 12) – **June 4, 6, 7, 2009**

To all Goaltenders, Parents and Coaches:

Welcome to Mitch's program. We look forward to providing the finest goaltending instruction possible. We work hard, they learn a lot, but always do it with lots of fun. Don't accept substitutes.

The School's Objective:

Goaltending is more than just stopping pucks. This unique program will teach and drill the physical skills related to goaltending such as butterflies, half butterflies, shuffles, transitions, down low plays, stick skills, etc., along with the mental skills such as save selections, "reading the play," situation analysis, angles, puck tracking, focus, etc. Each goaltender receives the latest Korn Goalie CD **FREE!!**

Format and Schedule:

In order to accomplish our objective, approx. 8 hours of ice time along with 3 ½ hours of classroom time will be used. Each goalie will have skills **videotaped**. We will also use custom made NHL DVD's to teach "goalie sense" along with proper read and reactions. Both sessions will begin with check-in on the first day at 5:45 p.m. The first day's session

will end at 9:45 p.m. The Saturday and Sunday schedules will vary, depending on the group. The Sunday session will conclude by noon. **A complete schedule will be mailed in late April.**

Ages and Structure:

We will accept ages 8 - adult, with the goaltenders grouped in "teams" by age and ability. Two sessions are being offered to better permit age-appropriate presentation of the material. **The above age groupings are approximate...**final enrollment will determine your group placement. All ice work is done as an individual, with a partner, or in a team of 4. What **you** do is important, not what the goalie does next to you. Each session's enrollment is **limited**. First come, first served. We always have a waiting list.
