

ABOUT "KORN CAMP"

Back in 1977 Mitch Korn ran his first weekend **Goaltender Program** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept. These camps have now grown into the **best in the country** with 8 different locations offered. Why not attend a program specially designed by position? In fact, it was Mitch's work in goalie camp that helped him land the job as the Sabres Goalie Coach in 1991.

MITCH KORN...26 years in the NHL

Mitch is in his 3rd season with the Washington Capitals as Goaltender Coach, after 16 yrs. with the Nashville Predators, and previously 7 years with the Buffalo Sabres. His hard

work, superb communication skills, ability to "dissect" a goalie's game, and great sense of humor has gained him the respect and friendship of those he has coached and worked with at all levels. Fondly referred to as "**Children of the Korn**" (a phrase coined by Caps coach Barry Trotz) these current and former goalies (many of whom are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch". Mitch has coached present and former pro goalies Braden Holtby (**the 2016 Vezina Trophy winner**), Philipp Grubauer, Justin Peters, Pekka Rinne, Carter Hutton, Anders Lindback, Chris Mason, Dan Ellis, Marty Biron, Dominik Hasek, Tomas Vokoun, Jeremy Smith, Magnus Hellberg, Marek Mazanec, Scott Darling, and Mike McKenna. Mitch has coached and influenced many others who have (in the past) or who are currently coaching professionally. They include: Mike Valley (Dallas), Ben Vanderklok (Nashville), Mike Dunham (Islanders), Wade Flaherty (Winnipeg), Mike Bales (Pittsburgh), Steve Briere (Toronto), Ty Conklin (AHL for St. Louis), and Bob Janosz (AHL for Buffalo). Also, Corey Hirsch (St. Louis), Clint Malarchuk (Calgary), Grant Fuhr (Phoenix), Olaf Kolzig (Washington), Steve McKichan (Toronto), Steve Shields (AHL for Florida) previously coached professionally. **Who can match 26 years of NHL coaching success?**

THE CAMP'S OBJECTIVE

Goaltending is more than just stopping pucks. Our program will teach and drill the physical skills needed such as the butterfly, half butterflies, power pushes, shuffles, transitions, recovery, stick skills, post play, etc., along with the mental skills such as save selections, "reading the play," angles, puck tracking, situational analysis, "toughness", focus, etc. We provide a **"full-day" program**. **A great staff is put together to assist Mitch.**

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies hard, but, he also believes in having lots of fun. Humor is a major part of the teaching process. The goalies work together as a "team" or "fraternity" all camp long. Mitch runs the ice sessions, and does a significant amount of teaching.

THE CAMP'S FORMAT

The goalies will receive 3.5 hours of ice time daily, plus 3.5 hours of structured off ice activities. Video will be taken of the goalies to reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time is divided into 2 sessions. The first is designed to teach and drill the skills needed. The second consists of "stations" with shooters and lots of pucks to help the goaltender "execute" on the skills taught. **We use great training tools such as reaction cones, low and high shot screen boards, an on ice mirror, high shot deflection boards, focus enhancers, glove weights, bungee balls, on ice video, the "med ball goalie stabilizer" and mini & white pucks.**

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: video instruction, uniquely developed NHL highlight dvds to help teach "goalie sense," mental skill development, reading and reacting, how to handle the many game situations, equipment innovations...and more!

EQUIPMENT NEEDED

All players must supply their own, and always wear properly, full, legal equipment. A camp jersey sponsored by **CCM** is provided. All players should be able to dress themselves for the ice. Parental assistance is permissible outside the locker rooms. Personal water bottles are optional.

INSURANCE/MEDICAL

EACH PARTICIPANT MUST POSSESS MEDICAL INSURANCE. Neither Mitch Korn nor anyone associated with Korn Camp will be responsible for any medical or dental expenses. Any accidents or illness will be treated at a hospital near the ice facility. Our medical form is available on our website for each participant to print. A medical and liability release statement is included on this form. It must be completed and signed by parent or guardian and brought to check-in on the first morning.

AGES, STRUCTURE, & ENROLLMENT

We accept ages 9 - adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What you do is important, not what the goalie does next to you. Enrollment is limited to 36 per group, first come, first serve. Two groups are formed. This is a commuter program. . . no housing is provided. **Ages are as of Dec. 31, 2017.**
