

ABOUT "KORN CAMP"

Back in 1977 Mitch Korn ran his first weekend **Specialized Goaltender School** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept. These camps have now grown into the **best in the country**. Locations include Nashville, St. Louis, Connecticut, Michigan, Cincinnati, Duluth MN, Buffalo and Newburgh, NY. Why not attend a program specially designed by position! In fact, it was Mitch's work in the goalie school that helped him land the job as the Sabres Goaltender Coach back in 1991.

THE DIRECTOR

MITCH KORN...18 years in the NHL

Now in his 11th season with the **Nashville Predators**, Mitch previously spent seven seasons as the Goaltending Coach for the Buffalo Sabres organization. His hard work and superb communication skills have gained him the respect and friendship of those he has coached which include Dominik Hasek, Marty Biron, Tomas Vokoun, Olaf Kolzig, Chris Mason, Steve Shields, Ty Conklin, Grant Fuhr (now the Phoenix goalie coach), Clint Malarchuk (now the Columbus goalie coach), Steve McKichan (formerly the Toronto goalie coach), Mike Dunham (now the Islanders goalie coach), Corey Hirsch (now the Toronto goalie coach) and currently Pekka Rinne and Dan Ellis.

Besides his Predator responsibility, Mitch doubles as an administrator at Miami University in Oxford, Ohio. Miami competes in Division I Hockey in the CCHA. He has 30+ years of organizing and running summer programs. **Mitch is on ice for the entire goalie program! Can anyone match his 18 years of coaching and success in the NHL?**

THE CAMP'S OBJECTIVE

Goaltending is more than just stopping pucks. This unique program will teach and drill the **physical skills** needed such as the butterfly, half butterflies, power pushes, shuffles, transitions, recovery, stick skills, etc., along with the **mental skills** such as save selections, "reading the play," angles, situational analysis, focus, etc. We provide a **"full-day" experience. THERE IS NONE BETTER! A great staff is put together to assist Mitch in reaching our objectives.**

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies very hard. But, Mitch also believes in having lots of fun. Humor is a major part of the teaching process. In addition, the goalies work together as a "team" or "fraternity" all week long. Mitch runs the ice sessions, and does a significant amount of teaching.

THE CAMP'S FORMAT

The goalies will receive a minimum of 3.5 hours of ice time **daily**, plus 3.5 hours of supervised off ice activities. Video tape will be taken of the goalies to help teach and reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time will be divided into 2 sessions. The first session is designed to teach and drill the skills of goaltending. The second session consists of "stations" with shooters and lots of pucks to help the goaltender "execute" on the skills taught. **Great training tools such as low and high shot screen boards, an on ice mirror, deflection boards, focus enhancers, glove weights, bungee balls and mini and white pucks will be used.**

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: video replay, goalie dryland training, uniquely developed NHL highlight dvds to help teach "goalie sense," mental skill development, reading and reacting, how to handle the many game situations, equipment innovations...and more!

EQUIPMENT NEEDED

Goalies must supply their own, and always wear properly, full, legal equipment. A camp jersey sponsored by **Reebok** will be provided. Goalies should be able to dress themselves for the ice. Parental assistance is permissible outside the locker rooms.

INSURANCE/MEDICAL

EACH PARTICIPANT MUST HAVE THEIR OWN MEDICAL INSURANCE. Neither Mitch Korn nor anyone associated with Mitch Korn's Specialized Hockey Camps, Inc. will be responsible for any medical or dental insurance. Any accidents or illness will be treated at a hospital near the ice facility. Our medical insurance form is available on our website for each participant to print. A medical and liability release statement is included on this form. It must be signed by a parent or guardian and **brought** to registration.

AGES, STRUCTURE, & ENROLLMENT

We accept ages 9-18, (plus the occasional adult), with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What you do is important, not what the goalie does next to you. Enrollment is limited to 34 goaltenders per group. Two groups are formed, first come, first served. This is a commuter program. . . no housing is provided. Details on a **host hotel** are provided in the final info sheet on our website. Ages are as of Dec. 31, 2009. **We sold out last summer.**

CONFIRMATION MAILING/REGISTRATION

Shortly after our receipt of your application and deposit, we send an acceptance statement explaining how to access our website to print final detailed information on the program, and a medical form. **Registration will be Monday morning at 7:30am. A full day will follow.**

COST/DEPOSIT/REFUND POLICY

The cost per goalie is \$525 per week (U.S. funds). A **non-refundable** deposit fee of \$75 is charged and should be sent with the application form and is applied to your tuition. The balance is due by **May 1**. The complete refund and payment procedure is part of the information which you will print from the website. Full payment must accompany any app. received after May 1, should space be available.
