KORN CAMP... the SPECIALIZED CONCEPT

Back in 1977 Mitch Korn ran his first weekend **Goaltender School** in Buffalo, NY. In between then and now, Mitch and the staff have perfected this "specialized" concept. These camps have now grown into the **best in the country**. Other locations include Minneapolis, St. Louis, Cincinnati, Nashville, New Haven Ct., and Buffalo & Newburgh NY. Why not attend a program specially designed by position! In fact, it was Mitch's work in the goalie school that helped him land the Sabres job in 1991.

ABOUT MITCH... 19 years coaching in the NHL

Now in his 12th season with the Nashville Predators, Mitch previously spent 7 seasons as the Goaltender Coach for the Buffalo Sabres organization. His hard work, superb communication skills, ability to "dissect" a goalie's game, and great sense of humor has gained him the respect and friendship of those he has coached and worked with at all levels. Fondly referred to as "*Children of the Korn*" (a phrase coined by Predator head coach Barry Trotz) these current and former goalies (many of whom are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch". Besides coaching present and former pro goalies Dan Ellis, Pekka Rinne, Chris Mason, Marty Biron, Ty Conklin, Dominik Hasek, Tomas Vokoun, Olaf Kolzig, Drew MacIntyre and Mark Dekanich, Mitch has coached and influenced many who have (in the past) or who are currently coaching professionally. They include: Mike Valley (Dallas), Grant Fuhr (Phoenix), Clint Malarchuk (Columbus), Steve McKichan (Toronto), Mike Dunham (Islanders), Corey Hirsch (Toronto), Bob Janosz (Rochester-AHL), Karl Goehring (Syracuse-AHL), Ben Vanderklok (Milwaukee-AHL) and Wade Flaherty (Rockford-AHL).

Mitch is on ice for the entire goalie program!
Can anyone match his 19 years of coaching and success in the NHL?

ABOUT THE STAFF

A highly qualified and experienced staff will be put together to provide the best instruction and supervision. We guarantee that our staff will be more than just coaches or players . . . they will be teachers! For example:

For the Defense Program:

- Norm McCauley:** -Designed our Defenseman Program
-former pro defenseman
-30+ years of hockey school experience
- Matt Cady:** -Ran the Duluth camp the last 4 summers
- Josh Mizerek:** -Pro defenseman...4th year with the camp

For the Goaltender Program:

- Nick Petraglia:** -Nick has been working with Mitch for the past 9 summers. He is an excellent teacher and compliments Mitch's style.
- Dan Kodatsky:** -Dan is heavily involved in coaching goalies in the Twin Cities. A Miami University grad, Dan has worked with Mitch for over 20 years! He will coordinate the Minneapolis camp.

In addition, Mitch has developed a staff of loyal, highly energetic instructors with most still playing junior, college or pro.

Our home.... DULUTH HERITAGE SPORTS CENTER

Located at 120 South 30th Avenue West in Duluth, this beautiful ice facility will be our home.

ABOUT THE GOALTENDER PROGRAM

THE SCHOOL'S OBJECTIVE

Goaltending is more than just stopping pucks. This unique program will teach and drill the **physical skills** needed such as full and half butterflies, shuffles, stick skills, power pushes, recoveries, transitions, etc., along with the **mental skills** such as save selections, "reading the play," tracking, angles, focus, situational analysis, etc. We provide a "**full-day**" **experience**.

MITCH KORN'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies very hard. But, we also believe in having fun . . . lots of fun. Humor is a major part of the teaching process. In addition, the goalies work together as a "team" or "family" all week long. **Mitch runs all the ice sessions.**

THE SCHOOL'S FORMAT

In order to accomplish our task, the goalies will receive 3.75 hours of ice time **daily**, plus 3.5 hours of supervised off ice activities. Video is taken of the goalies to help teach and reinforce the daily skills.

THE ON ICE PROGRAM

The ice time will be divided into 2 sessions. The 1st session is designed to teach and drill the skills needed. The 2nd consists of "stations" with shooters and lots of pucks to help the goalie "execute" on the skills taught. **Great training tools like low & high shot screen boards, deflection boards, an on ice mirror, a deflection ramp, glove weights, focus enhancers, bungee balls, on ice video and mini & white pucks are used.**

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: video replay, goalie dryland training, uniquely developed NHL highlight dvds to help teach "goalie sense," mental skill development, reading and reacting, how to handle the many game situations, equipment innovations...and more!

AGES, STRUCTURE, AND ENROLLMENT

We will accept ages 9 - adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What **you** do is important, not what the goalies does next to you. Enrollment is limited to 40 goaltenders. Enrollment is first come, first served. This school is a commuter program . . . no housing is provided. **Ages are as of December 31, 2010.**

ABOUT THE DEFENSE PROGRAM

ABOUT PLAYING DEFENSE

Good defensemen are in great demand. Every coach searches for these strong backliners to solidify the team's play in their own zone and to start the offense. Since the advent of Goalie Schools, defensemen have truly been the most neglected players. By far, defense is the most difficult position on the ice.

ABOUT THIS PROGRAM

The concept of "position specific" is not unique to summer goaltender schools . . . so why not bring the same concept to playing defense! This program will break the defenseman's job down by zone and by skill to provide the most rewarding on-ice experience possible. The feedback has been FANTASTIC.

THIS SCHOOL'S CURRICULUM

Our program will cover the following, and more:

- *defenseman skating skills such as backward pivots, mohawk turns, lateral motions
- *situational coverages (1 on 1, 2 on 1, etc.)
- *point play, shot blocking, pinching, shooting
- *tying up opponents, initiating breakouts
- *checking and angling; reading & reacting . . . and much more

AGES, STRUCTURE, AND ENROLLMENT

We will accept ages 9-14. The group is subdivided into 6 "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station." What you do is important, not what the player does next to you. Enrollment is limited to 6 defensemen per team. Enrollment is first come, first served. This school is a commuter program . . . no housing is provided. *Ages are as of December 31, 2010.*

THIS ON ICE PROGRAM

The participants will have two ice sessions daily totaling 3 hours, all geared toward defensemen and the skills they need to succeed.

OFF ICE PROGRAM

Each day the defensemen will have a classroom session. In addition, we will use specifically designed NHL highlight videos to help teach "hockey sense", "reading and reacting", and defense skills such as breakouts, pinching, hinging, etc.
