

ABOUT "KORN CAMP"

Back in 1977 Mitch Korn ran his first weekend **Specialized Goaltender School** in Buffalo, NY. In between then and now, Mitch and the staff have developed this unique concept. These camps have now grown into the **best in the country**. Locations include St. Louis, North Haven Ct, Cincinnati, Duluth and Minneapolis MN, Nashville, Buffalo and Newburgh NY. Why not attend a program specially designed by position! In fact, it was Mitch's work in the goalie school that helped him land the Sabres job in 1991.

THE SCHOOL'S DIRECTOR...MITCH KORN...19 years in the NHL

Now in his 12th season with the Nashville Predators, Mitch previously spent 7 seasons as the Goaltender Coach for the Buffalo Sabres organization. His hard work, superb communication skills, ability to "dissect" a goalie's game, and great sense of humor has gained him the respect and friendship of those he has coached and worked with at all levels. Fondly referred to as "**Children of the Korn**" (a phrase coined by Predator head coach Barry Trotz) these current and former goalies (many of whom are now coaching) have benefited from and helped spread the "goalie gospel according to Mitch". Besides coaching present and former pro goalies Dan Ellis, Pekka Rinne, Chris Mason, Marty Biron, Ty Conklin, Dominik Hasek, Tomas Vokoun, Olaf Kolzig, Drew MacIntyre and Mark Dekanich, Mitch has coached and influenced many who have (in the past) or who are currently coaching professionally. They include: Mike Valley (Dallas), Grant Fuhr (Phoenix), Clint Malarchuk (Columbus), Steve McKichan

(Toronto), Mike Dunham (Islanders), Corey Hirsch (Toronto), Bob Janosz (Rochester-AHL), Karl Goehring (Syracuse-AHL), Ben Vanderklok (Milwaukee-AHL) and Wade Flaherty (Rockford-AHL). **Mitch is on ice for the entire goalie program! Can anyone match his 19 years of coaching and success in the NHL?**

THE PROGRAM'S OBJECTIVE

Goaltending is more than just stopping pucks. This unique program will teach and drill the **physical skills** needed such as the butterfly, half butterflies, power pushes, shuffles, transitions, recovery, stick skills, etc., along with the **mental skills** such as save selections, "reading the play," angles, situational analysis, focus, etc. We provide a **"full-day" experience. THERE IS NONE BETTER! A great staff is put together to assist Mitch in reaching our objectives.**

MITCH'S PHILOSOPHY

There is no substitute for hard work. Mitch works the goalies very hard. But, Mitch also believes in having fun . . . lots of fun. Humor is a major part of the teaching process. In addition, the goalies work together as a "team" or "fraternity" all week long. Mitch runs all the ice sessions, and does a significant amount of teaching.

THE CAMP'S FORMAT

The goalies will receive a minimum of 3.5 hrs of ice **daily**, plus 3.5 hrs of supervised off ice activities. Video will be taken to help teach and reinforce the skills of the day.

THE ON ICE PROGRAM

The ice time will be divided into 2 sessions. The first session is designed to teach and drill the skills of goaltending. The second session will consist of "stations" with shooters and lots of pucks to help the goaltender "execute" on the skills taught. **Great training tools such as low and high shot screen boards, an on ice mirror, deflection boards, focus enhancers, glove weights, bungee balls, on ice video and mini and white-pucks will be used.**

OFF ICE PROGRAM

The goalies will have 2 daily off ice sessions which include: video replay, goalie dryland training, uniquely developed NHL highlight dvds to help teach "goalie sense," mental skill development, reading and reacting, how to handle the many game situations, equipment innovations...and more!

EQUIPMENT NEEDED

Goalies must supply their own, and always wear properly, full, legal equipment. A camp jersey sponsored by **Reebok** will be provided. Goalies should be able to dress themselves for the ice. Parental assistance is permissible outside the locker rooms.

Paul coordinates the travel programs at the Ice Time Complex. He will handle all the marketing, details of putting on a great school, and will be available to answer all questions.

We accept ages 9 – adult, with the goalies grouped in "teams" by age and ability. All ice work is done as an individual, with a partner, or in a "station" of four. What **you** do is important, not what the goalie does next to you. Enrollment is limited to 36 per group, with two groups formed, all first come first serve. This is a commuter program. . . no housing is provided. Our host hotel is listed in the final information sheet on our website. Ages are as of Dec. 31, 2010. **We have sold out every summer.**
